

Thunderbird District Adventure Weekend 2015 Zombie Adventure Weekend Back Country Program

Find a refuge from the zombies in the wilds of Cima, and be a wilderness survivor!

- Who:** Scouts must be 14 years of age by June 1. Scouts and advisors should be comfortable backpacking. Scouts must be at least First Class or a member of a Venture Crew or Varsity Team.
- What:** Find out who's most prepared to survive and thrive in the wilderness during a zombie outbreak. How can you be prepared? Know what's essential and what's not. Be prepared with your first aid skills. Skillfully wield primitive armaments. Oh, and you will also be judged on your ability to build a quality improvised shelter. Prizes and honor will go to those who demonstrate skill!
- When:** April 10th and 11th . We will meet at 9:00pm Fri. night and return on Sat. at 4:30pm. Plan for Sat. dinner with your unit.
- Where:** Meet at Trading Post at Horseshoe Bend Camp in El Rancho Cima
- Why:** Sometimes your "older scouts" want to do something targeted specifically for them and this is also a great activity for crews preparing for high adventure.

Planning Details:

- Please provide your own trail breakfast and lunch for Saturday
- Registration: Register for Backcountry Program with unit registration.
- Extra Paperwork: Bring to camp signed parental consent form.
- Back Country permission slip is required.
- Equipment: Scouts should bring a flashlight, comfortable clothes, **Good hiking boots and socks required**, shelter-building materials, compass, overnight gear, rain gear, backpack, & water(bring 4 liters).
