All Webelos 1 and 2's are invited to attend!! Come meet our troop and let us help you on the way toward your Arrow of Light! For those Webelos working under the new program can complete their "Fix it" Adventure. Staying with the old Webelos program? We'll help with your choice of the Handyman or Showman activity pins. In addition, by attending, your Scout will be able to check off the visiting a Scout troop requirement for their Arrow of Light. Our final station will be a magic show by our Scoutmaster Billy Riggs, and freshly baked dutch oven cobbler for all family members to enjoy. We look forward to seeing you!
